

SUPPORTING THE CDF PROGRAM OF WORK

- Diversify and strengthen our economic mix through business retention, expansion, and attraction
- Improve our human capital through workforce skills, and leadership training
- Improve our communications with existing businesses, local, state, and federal governments
- Foster small business and entrepreneur development
- Enhance the business climate and quality of life through planning, public policy, and strong partnerships

NOTE: Industry recruitment, membership, marketing and planning functions will utilize "cross division" working teams.
