“It is the responsibility of the people of Mississippi to try to raise the level - economically, educationally, spiritually, and otherwise - of all the people of Mississippi. There’s nobody else who’s going to come in here and do it for us.”

**- George McLean, Founder
Community Development Foundation**

MISSION & VISION

Community Development Foundation is the central hub of business development and growth for Lee County and is located in historic downtown Tupelo. Our mission to create **'more and better jobs'** in the community was set forth by our founder George McLean, which is accomplished through recruiting manufacturers to Lee County and through industry expansions. We do this because sustainable success in our local economy positively affects every citizen. Whether directly or indirectly, we all benefit from new jobs created, capital invested, and increase in Lee County's average wage. This results in more support for local businesses and non-profit organizations, education, and a higher quality of place. This quality of place is present in the youth sports programs, school support organizations, cultural activities, civic club projects, and city amenities which makes Lee County a better place to live, work, and visit.

The chamber of commerce division of CDF offers members annual programs, networking events, and marketing opportunities. With your involvement in the benefits offered, you will develop business relationships to help grow your business. We hope you will become a part of Community Development Foundation and invest in the community's growth.

Join the community of businesses, non-profit organizations, and individuals who are invested in the growth of Lee County. Become a partner. Your support makes a difference in the region.

PROGRAMS

The Chamber is known for its robust programs and events, consistently connecting members to the community. We host more than 50 events each year, from small gatherings of CEOs to events with up to 1,800 attendees. Chamber events are excellent platforms for our members to interact with industry experts and renowned thought leaders and to build important, lasting relationships through peer-to-peer networking.

WAKE UP!

Wake Up! is an early morning networking event to start your day with panel discussions, experts in education, government, or industry, and Q&A sessions addressing issues directly impacting our community.

BUSINESS LUNCH & LEARN

Enhance your team's professional development with the Business Lunch & Learn series. Held quarterly, topics are centered on core business skills including marketing, financials, operations, strategy, and sales.

BUSINESS ROUNDTABLE

Gain helpful information about our community and other businesses at Business Roundtable, a late afternoon, intentional networking meeting as they give brief, informative presentations on their businesses.

Over 50 member businesses are represented at each meeting, eager to learn about fellow CDF members and ways to be involved in the community.

BUSINESS AFTER HOURS

Business After Hours offers you the opportunity to meet casually with other CDF members, exchange ideas, and make important long-lasting bonds in a relaxed social setting. Hosted by a CDF member at their location.

TASTE OF TUPELO

As the Chamber's largest event of the year, this popular community event offers local "foodies" the chance to experience many of Tupelo's best restaurants, and get to know other businesses, too.

CDF OPEN HOUSE

CDF wraps up the fiscal year with a casual get together for all members. Food, drink, music and networking with small business owners to C-level executives.

CDF FALL CLASSIC GOLF & TENNIS TOURNAMENT

The annual golf and tennis tournament offers members an opportunity for a fun time away from the usual workplace setting to relax and connect with your team and business associates.

CDF SPORTING CLAY SHOOT

The annual clay shoot offers an outdoors environment distinctive to this event, giving CDF members an opportunity for a getaway to build relationships among team members and business associates.

RIBBON CUTTING CEREMONIES

A CDF Ribbon cutting for your company’s milestone occasion (grand opening, anniversary) offers great publicity for your business, as it is included in CDF’s events calendar online, the monthly e-newsletter, and on social media.

AMBASSADORS CLUB

Grow your business by building relationships through the CDF Ambassadors Club. Through their support of the Chamber’s work, these volunteers raise their business profile in the community while creating opportunities to cultivate relationships with targeted industries and companies.

CHAMBERADVANTAGE

CDF’s ChamberAdvantage affinity program features exclusive chamber member discounts, products, or services offered by program participants. Businesses offering a discount to fellow CDF members and their employees benefit from additional advertising on CDF’s website.

CHAMBER CONNECTION (CC2.0)

The Chamber Connection e-newsletter is delivered the third Tuesday of each month and has information on upcoming CDF and community events, member information, and promotions submitted by members.

TUPELO YOUNG PROFESSIONALS

The TYP’s mission is to create a sense of community among young adults aged 21-40 and encourage civic involvement. It’s a great way to get your young employees to make connections among their peers and prepare themselves for leadership opportunities.

IGNITE LEADERSHIP CONFERENCE

IGNITE is a one-day leadership summit featuring world class speakers motivating attendees to lead our organizations and communities with renewed passion and drive.

JIM INGRAM COMMUNITY LEADERSHIP INSTITUTE

The Jim Ingram Community Leadership Institute is a two-year program designed to enhance community leadership development and to encourage personal and professional growth.

REACH CAMPAIGN

The annual sponsorship drive reserving CDF events and communications sponsors for the upcoming fiscal year (May – April). Sponsorships are available for every marketing budget. Sponsorship enhances communications and events by allowing members to share in the promotion of CDF’s mission and their business.
