

MS MARKET BUILDING

42,125 SF

ABOUT

Don't miss out on this newly renovated, state-of-the-art plug-and-play customer contact center! Spanning an impressive 42,125 square feet, this cutting-edge facility is designed to elevate your business operations and customer interactions to unparalleled heights.

Nestled just moments away from the bustling downtown of Tupelo, our prime location offers seamless access to a dynamic network of domestic and international companies. This strategic proximity ensures that your business thrives in an environment brimming with collaboration and growth.

Boasting an array of thoughtfully crafted features, our customer contact center is the ultimate canvas for diverse users seeking excellence. From spacious workstations equipped with top-tier technology to ergonomic designs fostering productivity, every inch of this facility is optimized for success. The plug-and-play convenience ensures a swift transition, allowing you to focus on what truly matters - your customers.

As part of the vibrant and pro-business community in Lee County, Mississippi, our center encapsulates the essence of opportunity
