The success of your business is important. The City of Saltillo, in partnership with the Community Development Foundation, is committed to helping you locate the most appropriate site for your retail business and for its future success.

Located along US Hwy 45 and MS Hwy 145, thousands of commuters traveling into and out of Lee County pass through Saltillo each day. Saltillo is located one exit north of the Barnes Crossing Shopping District, the major regional shopping venue, which draws from a retail trade area of seven surrounding counties.

Downtown Saltillo is experiencing a major renewal effort under the excellent leadership of the city. As a newly designated Main Street Community, substantial reinvestment has already been brought into this redeveloping area.
