STUDENTS ATTEND  
PUBLIC SCHOOLS

The **Lee County School District (LCSD)** consists of 13 schools and a Lee County Career and Technical Education Center. Campuses are located in Belden, Guntown, Mooreville, Plantersville, Saltillo, Shannon, Tupelo and Verona. Over 6,000 students are currently enrolled in all programs offered throughout the district. For more information, visit [www.leecountyschools.us](http://www.leecountyschools.us).

The **Tupelo Public School District (TPSD)** consists of 14 schools, boasting a graduation rate of over 90%. Currently there are over 7,000 students enrolled in all programs. TPSD provides a superior educational path phasing in the new MS College & Career Readiness standards in grades pre-K through 12.

On campus there are 11 different languages spoken by members of the student body. TPSD offers 18 advanced placement courses, and has one-to-one devices for students from 2nd-12th grade. For more information, visit [www.tupeloschools.com](http://www.tupeloschools.com).
